

41.04.05 International Relations

Profile: Contemporary Foreign Affairs (in English)

full-time/ online training (2 academic years)

paid basis of training

BRIEF DESCRIPTION OF THE PROGRAM

The Master's program «Contemporary Foreign Affairs» is aimed at training a new generation of specialists capable of teamwork within the framework of innovative activities in modernization processes in the economic, political, information, cultural, political and legal spaces, in the fields of foreign policy and diplomatic activities of Russia, foreign countries and international organizations

ADVANTAGES OF THE PROGRAM

90% of the teaching staff have PhD and Doctor of Science academic degrees. High-quality education combined with affordable tuition fees, close interaction with representatives of relevant regional and business structures.

We offer 100% provision of a hostel for foreign applicants to stay during admission and study.

The program has a scientific specialization. We assist in the development of a scientific trajectory in the Master's degree program. Each undergraduate has the opportunity to choose his own topic of scientific research based on the experience and knowledge of scientific supervisors. The results of the research are available for testing at the conferences «Modern International Relations in Regional and Global Dimensions», the Symposium of Young Scientists «Culture, Philosophy, Politics in the social experience of the XXI century», the traditional week of science at the university and within the framework of scientific events of our partner universities.
